PLANNING HOUSE

MRS. CATHERINE BURNHAM TO BUILD DOUBLE BUNGALOW ON MAPLE

Mrs. Catherine Burnham of 518 South Brand has bought a lot on the north side of Maple street between Brand and Central and is making plans to erect a house. It will be a duplex Colonial bungalow, the outside dimensions being 32 by 46 feet. The open cement front porch will be faced with brick and the windows and doors will present a pronounced Colonial aspect with curved tops. While the color of the outside paint has not been definitely decided upon, it will likely be ivory. Each apartment will contain four rooms, bath and screen porch. Instead of the two front doors being placed side by side as is often done, they will be located one on the east and the other on the west side of the house, which faces south. One of the apartments will be finished in French gray and papered to harmonize. The other apartment, which will be occupied by Mrs. Burnham, will present some novel features. The woodwork will be a special trim, the outer surface rounding out, or convex, instead of flat. It will be finished in an old-fashioned walnut color to harmonize with the owner's style of furniture, which is walnut. The entire plan of the structure is to be quite original and unique.

POISONED BY EATING VEAL

Mrs. Rollin and Mrs. Hulburt of Sacramento and Mrs. Geo. Kelly of Oakland, with Mrs. A. L. Baird and Mr. and Mrs. W. W. Worley and son Charles spent Tuesday afternoon at the beach and as they were late in leaving decided to purchase the meat for the evening meal at Venice. They brought the meat to the home of Mrs. Baird and cooked it, partaking freely of the delicious veal. Not many hours after it was necessary to call the services of a physician, who found all who had partaken of the meat very ill with poisoning. A nurse was called to care for the Worleys, but the rest of the patients got along with home care.

DR. EVANS RESIGNS FROM OCCIDENTAL

Of considerable interest to many citizens of Glendale is the report of the resignation, yesterday, of Dr. Silas Evans, president of Occidental College. Dr. Evans is well known in Glendale and has made a number of addresses in the city. A difference in policy with some of the directors is given as the reason of the action.

J. B., INSTEAD OF NAT HERRESHOFF, WAS YACHT DESIGNER

J. C. Sherer informs the Evening News that it was J. B. Herreshoff who was the celever designer of the first four cup defenders, three of which contended with Sir Thomas Lipton's Shamrocks I, II and III. Though totally blind from early youth he refused to let that handicap him in the struggle for fame and he became the world's best designer of speedy yachts. His brother, Nat Herreshoff, is still living, to the best of Mr. Sherer's knowledge. The Herreshoff brothers were well known to Mr. Sherer's wife's family in her younger days, which were spent in Rhode Island.

LAST SUPPER

CHURCH NIGHT COMMITTEE TAKES VACATION OF MONTH FROM SERVING

The last of the popular church night suppers at Central Christian until the first Wednesday in September was given last night, between 6 and 7 o'clock and almost 80 were served, the largest number yet. Many expressed regret that a vacation through August had been determined on.

The Bible study on the book of Job, conducted by Pastor Clifford A. Cole, was full of interest. This "book of mystery" in the Old Testament, the author and time of writing of which are unknown, revealed much of beauty and wonder to the interested students. The prayer meeting which followed was led by Miss Gertrude Forrest. Her topic was "The Anger of Jesus" and the discussion which followed the very able presentation of this subject so difficult to understand was most interesting and profitable.

THE HEREAFTER

EVANGELIST PROUT DISCUSSES JOB'S QUESTION AS TO FUTURE LIFE

"If a man die, shall he live again," was the great question propounded by the patriarch Job over 3000 years ago. "It is just as pertinent now as then," remarked Evangelist C. S. Prout last evening at the Gospel Tent.

"Death continues to claim its millions by disease, war and accident, and many of those bereaved are inquiring, 'Does death end all?' Upon this subject opposing and varying teachings are held." The speaker affirmed that it was unsafe to follow others in their assurances as to where they were going after death.

"The only solution that can be relied upon for this question is that given in the Scriptures," said the speaker. "There we are told of what man is made, what maintains his life, and what brings death. In Gen. 2:4, we read: 'And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life, and man became a living soul.' Life was imparted to him by His maker, but there is no statement that he was endowed with an immortal spirit or never-dying soul. When he sinned and was driven from the Garden of Eden, he was prohibited from partaking of the tree of life, 'lest he put forth his hand and take also of the tree of life, and eat, and live forever.' Gen. 3:22. This providential restriction guarded against the perpetuation of a sinful life. Cut off from the source of life he must in time cease to live. Hence there is not an immortal sinner, nor an im-

W. H. VERITY'S AGED FATHER DIES

James W. Verity died last night at 11:30 from the effects of abscesses in the head, which had troubled him for six months past and affected the mastoid bone. He was 72 years of age and was a native of Huron county, Michigan. He came to Glendale last August, arriving on the 11th, to live with his son, W. H. Verity, of 511 West Broadway. Funeral services will be held in the Little Church of the Flowers tomorrow, 10 a. m., Dr. Clyde Monroe Crist officiating and the L. G. Scovern Company in charge. Interment will be in Forest Lawn. Deceased leaves a son in St. Louis, one daughter living in Harriman, Tenn., and another in Florin, Calif., also one brother, who lives in Pomona.

TOO PROUD TO BE IDLE

The early rising citizens of Glendale who have occasion to pass along Brand boulevard between six and half past six o'clock a. m. will notice men, women and girls waiting on the curbing for the Burbank cars. Upon inquiry you will find that those people are employed in the canning factories in Burbank. It has been reported that as many as a hundred girls and women of Glendale are aiding in this valuable industry. Many of these people belong to a class who might sit with folded hands in their homes, and by so doing the world would be none the better for their living in it. The spirit of industry shown by these people is to be commended. At this stage of the world's history workers are needed in all lines of industry, and thrice honor to the individual who is not too proud to work. By pursuing such a course a person may do one of the greatest things for humanity, and after having lived a lifetime go out of the world leaving conditions better than when he came into the world.

War conditions were the means of teaching everybody to work, and it is to be hoped that the teachings gotten during that period will long be remembered by all true Americans, because there is truly a spirit of Americanism exhibited by the doing of good, honest labor, whether it be physical or mental.

CURIOUS AUTO ACCIDENT

A rather curious auto accident occurred on Central avenue yesterday afternoon. Two ladies were driving, one north and the other south on this street, which is certainly wide enough to allow passing, but both machines kept so near the center of the street that they collided head on. A little boy in one machine was cut by flying glass. Both drivers backed off, then hurried away, the machines having suffered little or no injury, and the identity of neither could be discovered.

FINE AUTO PARK

MR. AND MRS. BRALY ENTHUSIASTIC OVER SANTA BARBARA'S ACCOMMODATION

The auto park at Santa Barbara was an object of great interest to Mr. and Mrs. J. H. Braly, who have just returned from that city, where they had been attending the Presbyterian Synod. The auto park, they say, is a wonderful adjunct to the city, meeting the lack of hotel accommodations and is being utilized by the very best class of people, who are there as visitors. Many of Glendale's leading citizens found a comfortable stopping place there also.

C. W. Kirk, son-in-law of the Bralys, who is secretary of the Santa Barbara Chamber of Commerce, has general charge of the auto park. There is also a man on the grounds all the time who attends to the needs of those who come, finding locations for them, etc. There is a building containing about 20 gas stoves, also dining tables, and here the park guests cook and bake. Mrs. Braly says they cook fine meals there and often quite elaborate dinners are gotten up. There is no extra charge for gas beyond the blanket charge of fifty cents a night for each auto and its load, irrespective of the number of persons in the party.

There is also a place where baths are obtainable and a good shower. A laundry where tourists can do their washing also adds to the list of conveniences. Besides the tables in the building mentioned above, there are other tables on the grounds, and as many autoists bring with them tents which attach to their cars, these come in good play for such. The chamber of commerce furnishes everything and handles the receipts. The Bralys, who went in their car, visited other points of interest, reporting a very enjoyable trip. They made their headquarters at the home of Mr. Kirk, their son-in-law, while in Santa Barbara. They were much impressed by the city's mode of advertising itself, in the welcome and care of visitors and as loyal Glendale boosters would like to see our city advertised in the same way. People from states far and near write back expressing their appreciation of the service.

LITTLE BOY BADLY SCALDED

Earl Palmer, 1½ years old, was painfully burned this morning at 7 o'clock when a teakettleful of water was overturned on him. He was rushed to the Glendale Sanitarium and given immediate care. The burns were not deep, so recovery will not be long delayed. Earl is the youngest child of W. E. Palmer and wife of 615 South Adams.

GUEST FROM EAST

MR. AND MRS. P. C. MASON ENTERTAIN IN HONOR OF MRS. L. L. CAVINESS

Mr. and Mrs. P. C. Mason of 625 North Maryland avenue entertained in honor of Mrs. L. L. Caviness of Washington, D. C., Monday evening. As those who were present were former friends and acquaintances of Mrs. Caviness from far and near, the evening's entertainment took the form of an old-time talk-fest, during which reminiscences and incidents of common interest were in order. Mrs. Caviness, who is especially talented as a reader, delighted her friends with several readings. Dainty refreshments were served during the course of the evening.

Besides the guest of honor Mrs. L. L. Caviness and her little son, Harold, the following were present: Prof. and Mrs. G. B. Miller, Mr. and Mrs. I. A. Ford, Mr. and Mrs. B. M. Emerson, Mr. and Mrs. H. Schultz, Eldon Ford and Miss Marjory Morris of Glendale; Dr. and Mrs. E. H. Johnson, Russell and Dorothy Johnson, Mr. and Mrs. Thompson of Los Angeles; Mr. and Mrs. M. M. Hare, Milton Hare of Eagle Rock; Prof. and Mrs. C. V. Hamer of Washington, D. C.; Dr. C. H. Lewis of Santa Monica. Also the host and hostess, Mr. and Mrs. Mason, and son Lloyd.

Mrs. Caviness has been visiting with the Masons the last few days and left Glendale this morning on the Overland Limited for Denver on her way home to Washington.

Mr. and Mrs. Caviness expect to go to France in the fall, to take charge of a branch of educational work. Mr. Caviness is at present on the staff of editors of the Review and Herald in Washington.

GREAT RECORD

BUILDING PERMITS FOR PAST THREE DAYS TOTAL $79,400

The building permits for Monday, Tuesday and Wednesday of this week aggregated $79,400 and all were for residences, garages, repairs or additions. The largest was for $6000 These permits were 36 in number. Nineteen of them were for residences ranging in size from three to eight rooms and in price from $1000 to $6000. Yesterday's total of $31,550 was the largest ever issued in a day for purely residence and garage purposes. They included three five-room residences for H. E. Rommel at 637, 710 and 707 North Isabel, a six-room at 203 Burchett for C. A. Nagle, another at 533 Alexander for H. Vanderhoof, another at 537 Alexander for B. Vrenageor, and one of 5 rooms at 354 West Wilson for B. F. Martin. The total value of permits issued, to date, this month is $254,300. It is known that many costly residences and public buildings will be commenced early next month. Glendale's growth is certainly vigorous.

MISS MARJORIE IMLER HOME FROM EASTERN TRIP

Miss Marjorie Imler returned Sunday evening to her home at 336 West Park avenue from a very interesting trip covering several states. She was sent as a delegate to the national convention of the Sigma Kappa sorority held in Lawrence, Kansas, where the University of Kansas is located, and represented the Sigma Kappa of the University of California in Berkeley. Miss Imler also visited the cities of Hutchinson and Kansas City, and was entertained in Denver, Colo., at a luncheon given in her honor by the Sigma Kappa of Denver. She was royally treated from first to last and had a very enjoyable time.

SOJOURNING AT KIL KARE

Miss Ruth Ryan is spending a very enjoyable week of her vacation at Camp Kil Kare, Oake Wylde, and entertained at her cabin over the week-end Misses Mildred McKee, Marjorie Gunion, Almena Bullock and Ruth Spafford. Messrs. Leslie Anderson, Anson Bowles, Arthur Ross, Irvin Bullock and Oliver Howland went up to enjoy the dance Saturday evening and returned Sunday in their machine to bring the guests home. Miss Ryan will remain at Camp Kil Kare a week.

BIG CROP OF ONIONS ON CITY LOTS

At the northeast corner of Pacific avenue and Riverdale Drive is a tract 150x250 feet, owned by a non-resident. There is an old house on the east side, away back from the front, which was formerly surrounded by several large pepper trees. For years this ground grew up in weeds, year after year, and there was no attempt at cultivation. Finally the old pepper trees were cut down and soon after that Albert Woolsey rented the place. He put almost all of it in onions, white and brown, last spring, and recently he dug his crop of over 300 bushels, a neighbor tells us, and he at once plowed the ground again, put it in good shape and planted another crop of onions. So this ground, which for years was absolutely useless, is now doing quite a bit toward increasing the supply of food needed, thereby in a measure reducing the H. C. L.

MARY JANE GILLETTE

BABY TENT, DAUGHTERS OF VETERANS, FAST DISCARDING SWADDLING CLOTHES

The Mary Jane Gillette Tent, Daughters of Veterans, held its second social meeting at Hurtt's Hall Tuesday evening.

After a short business session, during which the Tent received and obligated to membership Chas. Hapgood of the N. P. Banks Camp, Sons of Veterans, the evening was devoted to social pleasures. An impromptu musical program and dancing was enjoyed, concluding with refreshments consisting of sandwiches, cake and coffee. These social meetings, occurring the fourth Tuesday of each month, are becoming popular, as is attested by the excellent attendance. The Tent is rapidly increasing its membership, having reached the total of 32, with the initiation of the Misses Alda and Irene Gervais at the last regular meeting.

A Check Is So Convenient

Perhaps at no time during the entire year does one realize more fully than in the summer when away on a vacation the great advantage of having a checking account in a strong bank.

While it is of course the logical and safe way to carry money, yet the convenience of being able to pay your way by check has never been questioned.

We want to open a checking account for you even though it is started with a small amount.

WHY DON'T YOU DO IT BEFORE STARTING ON YOUR VACATION?

THE HEREAFTER

(Continued from Page 1)

mortal soul. Man must return to the earth from which he was taken. He must yield his life. 'The wages of sin is death; but the gift of God is eternal life through Jesus Christ.' Rom. 6:23. Eternal death was before him; but life eternal and immortality were secured to him by virtue of Christ's death and resurrection. 2 Tim. 1:10. Death becomes but a sleep since the bonds of the grave have been broken. There is life only in Christ. The resting place of all in death is the grave. Proof of this is given in Job 14:12: 'So man lieth down, and riseth not: till the heavens be no more they shall not awake, nor be raised out of their sleep.' . . . Jesus Christ declared of Lazarus, who was in the grave, 'Our friend Lazarus sleepeth; but I go that I may awake him out of sleep.' John 11:11-14. Death is here declared by the author of life to be a sleep. In sleep one knows nothing of time. Till the call of the Life-giver a thousand years will be as a moment. 'The dead know not anything,' declares Solomon. Eccles. 9:5. But theologians and others declare that he knows more than he did before. An unconscious man knows nothing; but a dead man knows everything, a condition much to be desired were such conclusions truthful. The Scripture declares that 'their love and their hatred is perished' and the Psalmist declares that 'he returneth to his earth in that very day his thought perish.' Psalm 146:3, 4.

"That which is called the spirit is declared to be the breath which was breathed into man's nostrils. 'All the while my breath is in me, and the spirit of God is in my nostrils.' Job 27:3. When man dies all that leaves him is what was imparted to him—the breath of life. God gave it, He withdraws it and man returns again to what he was before. 'Who knoweth whether the spirit of man goeth upward; and the spirit of the beast, whether it goeth downward to the earth,' was the question asked by Solomon of those who in his day asserted that to be the case. Eccles. 3:21. R. V.: 'All go unto one place, all are of the dust, and all turn to dust again.' "

The evangelist urged his hearers to put away preconceived ideas and bias and to consider the plain, simple statement of God's word upon this subject, for "whatsoever thy hand findeth to do, do it with thy might, for there is no work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest." Eccles. 9:10.

The subject announced for this evening is "Can We Communicate with Our Dead?" A large audience is anticipated.

Firestone

Sales of this tire have increased 96% the first six months of this year, proving the balanced tire, the Firestone 3½ has accomplished what Firestone sought for it, more mileage, greater economy, greater comfort, which has been passed on to the public at low cost—most miles per dollar.

Balanced! That means to you more than mere thickness of tread, greater air capacity, more plies of fabric, greater cushioning, or the gauge of the sidewall. It means that all component parts of the Firestone 3½ are scientifically balanced by specialists who have put years of study and practice into a single purpose—to meet your demand in a small car tire. You can now have all four tires on your car give uniform service if they are Firestone.

PICK U. S. TEAM FOR DAVIS CUP

NEW YORK, July 28. (United Press.)—American tennis circles are getting yells ready to acclaim the victorious American team when it returns from Australia next winter with the Davis Cup.

The showing made by the American team in disposing of France and England in the preliminaries not only inspired this confidence here, but led English experts to believe that the Americans will be invincible if they keep up the style and brand of tennis that was shown during the preliminary matches and the British championships.

England rates William T. Tilden as one of the most deserving players that has ever held the world's championship title and he has just as many friends in America who believe that he has hit his real stride and will continue his sensational game on through the finals for the Davis Cup.

After William M. Johnston, the national champion, was eliminated by J. C. Parke, in the Wimbledon matches, some concern was felt in America lest the little Pacific Coast star was off his game. But in the matches between the British and American cup teams he avenged himself for the defeat and came back into his own bright game.

With Charles S. Garland and "Dick" Williams, who were spared in the preliminary matches, to fall back on, the chances of the Yankee team in the finals for the cup appear unusually bright.

Patterson and Brookes will be the same hard pair to beat, but most of the experts believe it can be done.
